We can help

The Project Migrant Information Center (MIC), is co-funded by the European Commission from the Asylum Migration and Integration Fund (90%) and the Republic of Cyprus (10%). Project Number: CY/2020/AMIF/SO2.NO2.1.3/4

Vision

We embrace the idea of a global society that protects vulnerable migrants, treats them with respect and enables them to become successful members in the local community.

Mission

We work with individuals, families and community groups to identify their needs, and provide information on a range of options available to them.

We support them to access services and resources that meet their needs and build new skills to adjust harmonically to the Cypriot cultural and social environment.
